

## Virginia Green Lodging Profile:

---

# Holiday Inn University

## Blacksburg, Virginia

---

**Virginia Green** is the Commonwealth of Virginia's campaign to promote environmentally-friendly practices in all aspects of Virginia's tourism industry. **Virginia Green** has established "core activities" specific to each sector of tourism, and these practices are considered the required minimum for participation in the program. However, **Virginia Green** encourages its participants to reduce their environmental impacts in all aspects of their operations; and this profile provides a full list of all their "green" activities. These are the activities that guests / customers can expect to find when they visit this facility.

### Holiday Inn University

"The Holiday Inn University is located in Southwest Virginia and directly across of the street from the VA Tech campus."

**Green Statement:** "The Holiday Inn University is committed to our guests, our community, and our environment."

### CORE ACTIVITIES for Lodging

"☑" This symbol indicates a required activity for Virginia Green Lodging facilities. Participants self-certify that these activities are in place and they provide additional specifics on other activities. Visitors to **Holiday Inn University** can expect the following practices:

☑ **Optional Linen Service.** Virginia Green Lodging facilities must have some sort of system in place that allows guests to not have their sheets and towels changed every day. This facility pledges that they:

- Change linens only upon request
- Train house cleaners on process for optional linen service
- Purchase water and energy efficient washers and dryers
- Minimize use of bleach and chlorinated chemicals

☑ **Recycling and Waste Reduction.** Virginia Green Lodging facilities must recycle Glass Bottles and are highly encouraged to maintain a comprehensive recycling program. This facility pledges that they:

- Recycle: glass, aluminum cans, steel cans, plastic, office paper, toner cartridges, newspaper, cardboard, fluorescent lamps, batteries, electronic equipment
- Provide guests with clearly marked recycling bins or drop off locations
- Track overall waste bills
- Use reusable dishware and glassware, and minimize use of disposables
- Provide condiments, cream and sugar, etc. in bulk
- Use water pitches and filtered water to minimize the use of single-use bottles
- Use menus and placards as an opportunity to communicate green activities
- Have an effective food inventory control to minimize waste
- Use a last-in/first-out inventory and labeling system
- Encourage suppliers to minimize packaging and other waste materials
- Purchase from vendors and service providers with a commitment to the environment
- Make 2-sided copies/ printed materials

- Use electronic correspondence and forms
- Purchase durable equipment and furniture

☒ **Water Conservation.** The facility must have a plan for conserving water that should consider plumbing modifications and landscaping. This facility pledges that they:

- Track overall water usage and wastewater
- Perform preventative maintenance to stop drips and leaks

☒ **Energy Conservation.** The facility must have a plan in place that encourages replacement of lighting and equipment to energy-efficient alternatives. This facility pledges that they:

- Track overall energy bills
- Have had an energy audit to identify efficiency opportunities
- Have high efficiency heating & air conditioning (HVAC) systems
- Perform preventative maintenance on HVAC system
- Have individual thermostats for each room/area
- Use natural lighting
- Use lighting sensors to turn on/off lights
- Purchase EnergyStar-rated computers, copiers, and appliances

☒ **Green Events Package.** The facility must offer a “green” or “environmentally-friendly” package for conferences, meetings and other events. Even if the facility only offers occasional, small events, at least recycling will be provided. This facility pledges that they:

- Promote the availability of “green meetings/conferences” in marketing packages
- Provide recycling, bulk food, washable silverware and glasses, etc
